Well, here goes for book III. It has been several days since I have
written as I couldn't find a composition book I wanted. But I finally took
this. I forgot did I mention in Book II that Floyd was home. He & Fay
have been driving around all day.

The Minstrel was sure good last nite. Dad, Mama, Ruth & I went.

There was a test in Zoöl today today [[sic]] & it sure was stiff. Didn't get
any notes day from Clem as I didn't have any thing to say and evidently
he didn't either. Went down town and got a lot of things for mama in the
1 cent sale.

We are going to the Jeff again

to-nite but I would lots rather go to the Odean [[Odeon]] . It is "We Can't Have Everything" and I started to read the book but never finished it and always wonder how it ended so want to go.

Merica goes around with [[strikethrough]] Wilma [[/strikethrough]] Katie and Gertie most of the time and I don’t see much of her. Think I will have her come home for dinner with us tomorrow.

Wilma is here now so I have to hurry.

Tomorrow is the Interclass meet at the forest park and we get out at two thirty. Sure am Glad.

HIGH SCHOOL NOTES

There was no special program arranged for Monday mornings chapel. Wilbur Padgett and Isabella Price made announcements. Prof. Kennedy presented the inter-class loving cup to the senior class, and the individual cup to William Nelson. Wilbur Padgett, Melvin Wood and William Nelson and George Gabler all gave short talks about the track meet.

The Senior class are trying to get a special train to take them over to Dewey, to the Santa Fe track meet, April 20. In order to get this train they must have at least one hundred and twenty five passengers signed up to go. The boys are working hard to get this.

The seniors held a compulsory meeting yesterday noon, for the purpose of selecting their graduation cards.

The Inter-class track meet held last Friday afternoon was a victory easily taken by the seniors. The score was as follows: Seniors, 69 points. Juniors, 39 points, sophomores, 8 points, and freshman, 1 point. The individual cup was won by William Nelson with a score of 24 points, Melvin Wood came second with 20 points.

The seniors have defeated the juniors in everything they have contested for this year. They will do the same in the coming base ball game next Friday afternoon between the seniors and the remainder of the classes. [[/newspaper clipping]]

Mrs. Thompson, who has taught Algebra in C.H.S. for the past year will join her husband at Springfield, Mo. Mr. Thompson has returned from France. The place will be filled for the remainder of the year by Mr. Homer J. Reeves of Winfield, Mr. Reeves is an athlete. [[/newspaper clipping]]
Wednesday April 2nd 1919

It has been raining all day and it sure is awful. Got our grade cards. Made G in Zoöl. M in English. M in Spelling and I didn't get my other two cards but think I will get M in French. She better give me M anyway or--!?!--

At the track meet we went out in Hazel Ruthrauff's car and sure had a good time.

Saturday we had our tea room at the "Fashion" but only made about $3.00 and we sure worked hard for that you can tell the world. Saturday nite Lucile & I took the chairs tables etc back in her car but had to take it back and Al Bayless, Glenn B. & Jim A came along & got Al's car and we finished taking the
things then went riding. Had a good time.

Sunday evening about six thirty dad let us have the car. We came back about 8/00. He was over a Grandma's house "C"? Golda, Francina, Wilma, Martha, Ruth & I went. We saw Fay & Floyd in Careys back yard and stopped & talked to them awhile Art & Clive called up & wanted to come down but nix.

Tuesday nite we went riding in the "Cad" Wilma, Marie, Workman Jake, Al, Ruth, Bob & I. We went nearly to Liberty. Sure was a Grand nite. Had a good time too.

Mrs Talbot called up this evening and said Leah & Fay Moore would be here tomorrow evening. Sure am glad. I can hardly wait.

Finis

Wed. April 9.

Leah & Faye came Thursday eve & Leah went to church & Faye, Ruth & I went to Mary Miles Minter in Wives & other wives.

The next day Leah had to have her tooth pulled & so she was sick that day. Ruth out & her & Faye went to the show. I cut with Bettie Morgan & we went to "The Enchanted Barn," wasn't very good tho. That nite was the home talent play & it was sure good. Leah stayed all nite with her mother that nite so Ruth slept with Faye & they didn't get up until 10/00. That P.M. we went down to Litmans. Leah, Faye, Ruth & I then we went down town & then that nite we went to the show. Sunday morning we went to Sunday School & that afternoon

HIGH SCHOOL NOTES

Chapel was held yesterday morning. This Chapel was given over to the sophomores, who had a special program prepared. Miss Esther Litman gave a piano solo. Miss Audrey Berry gave two readings, which were largely applauded by the students. The sophomore girls gave a demonstration to the students of how the Freshman base ball team would look after the sophomore boys beat them that afternoon. The girls gave several special prepared class yells. The sophomore boys gave fifteen 'rahs' for the girls. William Nelson, Bill Padgett, Wayne McClelland and Burton Gamble all made announcements. Before chapel only 91 students had signed up for the special train to Dewey the 26th, for the Santa Fe track meet. But by yesterday afternoon over 125 which is the required number to get the special had signed.

The Y.M.C.A. Held a meeting yesterday noon to elect officers. The following boys were elected for next years offices:

Burton Gamble, president; Clarence Strickland, vice-president; Robert Belt, secretary; Warren McNabney, treasurer.

All members of the annual staff are asked to have all their work in by next monday evening.

Next Friday, Prof. Kennedy has given the chapel rooms over to the seniors, who will put on a burlesque show of the faculty. This is being looked forward to by all the students. Visitors are welcome. Each class will have charge of the chapel exercises once.

HIGH SCHOOL NOTES

-----------------

Chapel was held Friday morning. Prof Kennedy led the devotionals. Miss Elizabeth Bailey gave several piano solos and Miss Lillian Bowman gave several readings. The students showed their appreciation by applauding them back. William Nelson and Wilbur Padgett made important announcements. William Carpenter, the school's yell leader, started the pep by leading the students in their yells. In spite of the bad weather and difficulty in getting the special, there will be a large number of students and Coffeyville residents go on this morning's train on the Katy at 9:30 a.m. The students and track team are in the best of spirits. The prospect for bringing back the cup is great and everyone is looking forward to Saturday night when the winner will be named. John Turner and a friend, both who have just been discharged from the Navy, were visitors in the chapel. John Turner gave a short talk to the students about his navy life. Both are graduates from the high school at Evansville Ind. Miss Nixon gave a short talk on the track meet. Miss Osgood, teacher in Mathematics, left for Parsons to spend the week-end with her parents.

The boys and girls of the Y.M. and Y.W. play are practicing every night. This play will have two weeks practice on it and is sure to be the best comedy yet.

The track men practiced at the park last night so as to get used to running in the mud, and in spite of it they made good time. A track meet with Nowata has been matched and will be played next Friday, May 3. It will be held here at Forest Park. Miss Henry, teacher in the commercial department, left last night for Cherryvale, where she will spend the week-end with her parents.
This was the Friday before Easter + the Boys S.S. class gave a party for us at Frank Clarks. Had a ~~~~~~ good? Wm/ came home that nite from KU. The boys Base Ball team played at Independence Sat but they got beat but are going to play again soon they say.

Saturday Morning at nine thirty o’clock about a hundred C’ville kids went to Dewey to the track meet. We got there about ten thirty & went to the high school and had the musical contest. Leslie Scoville took 2nd in Violin. Then Vernola & I went to a restaurant & got dinner, then went to a hotel down the road where all the kids were & danced until two o’clock then we went to see the field meet (see next page) That was out about 700 o’clock and then Cap V. & I went to Bartlesville for supper. Then we came back for the oratorical & declamation contest but didn’t get there in time for the declamation. Mary came in second & a little boy took 1st

Simple Home Wedding a La Circus Publicity

Last night, at the glittering and gorgeous home of the bride's parents, Mr. and Mrs. William Henry Hicks, 999 Ninth Place, Miss Mary Gladys Hicks and Mr. Adelbert Smithers, were united in the sensational, awe-inspiring bonds of matrimony. The wedding service was pronounced in a peerless and peppy manner by the Spiritually Rich and Right Reverend Doctor Morton S. Duds, rector of the exceptionally expensive and exceedingly exclusive Saint Croesus-in-the-Fields.

The bride entered upon the massive, muscular and marvelously moulded arm of her father, passing through an avenue of the largest, longest and latitudinest tropic palms in captivity, while the air about was heavy with shimmering, seething scent of precious and overpowering petals of spring, ranged in racy and rollicking array about the handsome and harmonious Hicks home. An orchestra of four—count them!—clever, comic and delightfully daring musicians supplied the mushy and melodious music to which the bridal party modestly and morally marched. The grand, gigantic and brobdignagian groom, accompanied by his bald, brave and best man, Mr. W. Percy Smithers, awaited them at the improvised, but otherwise faultless, altar.

See the solemnly spectacular meeting of the Bride and Groom! See the merry and meritorious Maid of Honor! See the innocent, infantile, infinitesimal Flower Girl, Miss Teenie Hicks, in her fearless, fascinating but foolish act of scattering fair, freakish and fragrant flowers in the path of her sister, the Bride! See them ALL! They are ALL INCLUDED, all under one roof! One invitation, remember, admits to them all, including the correct after the wedding.

The Bride was attired in a silvery and silken something of extreme simplicity, surmounted by a vaporous veil, fastened to her polished and perfumed hair with the bursting, emblazoning blossoms of the orange. Elsewhere upon her proud but in no sense ponderous person was a slick, showy and scintillating diamond and bedazzling sunburst, the graceful gift of the generous and godlike groom. And remember—EVERYTHING ABSOLUTELY NEW!

After the affecting and effective ceremony, a real, roaring reception was held, fun furic sly fast taking the place of rigid and rigorous restraint in the precious and palatial Hicks parlors. See the sinuous smiles tripping through the torrents of tears! Witness the cute, cunning and comedy kisses! Hear the conglomerate and contradictory congratulations! Hear the silly and simian simpers! See the flippant and frumpish friends of the family! Listen to the glorious gurgle of the able and absolutely alcoholic punch! And REMEMBER—ONE INVITATION ADMITS TO ALL!

The bride was the radiant, enraptured recipient of a superbly great and indescribably glorious, glittering and gorgeous galaxy of gifts, the presents being under the shrewd, sharp and singularly all-seeing eye of a pompous and private detective. A supper, the most stupendous, sensational and superlatively complete ever served in any land, was spread in the draped and dainty dining room by a cool, keen and calculating caterer.

THE GRAND EXIT! At eleven o'clock, amid scenes of astounding and
unparalleled impertinence, and a hellish, inhuman hail of ancient and antiquated shoes, mixed and mingled with ribald rice, the young couple left on a desperately dangerous and delightfully demonstrative bridal tour. They will be gone three—count them!—weeks.—Cartoons Magazine. [[newspaper clipping]]

STARTS THREE HOUSES
J. L. McCoy Begins Erection of Modern Homes on Fourth Street—W. L. Orrick Completing One.

Foundations are laid for three new houses, to be erected on the south side of Fourth street, between Walnut and Maple, by James L. McCoy. S. P. Abston has the contracts for building the new structures.

The houses will each have five rooms, and will be made modern in every respect. The floors of the front rooms and the dining rooms will be oak. The houses will be completed about July 1. One of the new homes will be occupied by F. M. Gray, as soon as it is completed. J. W. Cash will occupy one of the others.

Mr. McCoy states that he contemplates tearing down his lumber shed on Fifth street, between Walnut and Maple streets, and erecting three more houses on the location. He does not expect to commence this work, however, for several weeks.

W. L. Orrick is just completing the erection of a modern cottage across the street north from the new McCoy properties and just east of the home of Mrs. N. I. Douglas. The Orrick property is being built for rental purposes, also. [[newspaper clipping]]
ALL IN READINESS FOR LAND OF SMILES

LAST NIGHT’S REHEARSAL FOUND EVERYONE IN THE PLAY READY FOR TONIGHT’S PERFORMANCE. A GOOD SHOW

The final rehearsal for the "Land of Smiles" was held at the Jefferson Theatre last night and everything is in readiness for the performance tonight. This musical comedy promises to be the best home talent ever seen in this city. About thirty well and popularly known young people are participating and as a lot of genuine talent has manifested itself a splendid performance is assured.

In addition to the local people, two excellent specialties will be presented by some of the Parsons young people who appeared in "The Land of Smiles" when it was presented there. Misses Mildred Dannenbaum and Thelma Lannan of the Parsons high school will present their oriental dance and little Virginia Dunlap, the Parsons five-year-old wonder will be seen in the songs and dances which have already attracted widespread attention.

There has been a splendid advance sale of tickets and a packed house is assured.

It has been so long since I've written any thing I hardly know how. Seems kinda funny But I'll get used to it again. But just think only 3 more weeks till school is out. Sure am glad

May 30

Now I guess I realy [[sic]] write something. This is Saturday Last thing very important was our breaking up with Wilma. I guess for good. That was about a month ago & I havn't [[sic]] spoken to her since. Neither has Ruth. The party was Last Friday nite that the girls L.L. class gone for the boys. Each girl asked a boy. I asked George Bowers Ruth asked Shorty Morgan. But I came home with

Colin Boone as George went off with Cecil, I would rather have come home with Colin any way but sure dont [[sic]] think much of George for going off with Cecil who had a date with Art, (who went home with Viola). Some mix up alright. But we had a pretty good time

Sunday nite some of the kids had dates here. I didnt tho.

Yes, Clem & I had a fite?? [[sic]] But we made up. I wish he wasnt [[sic]] so darn slow. Because he is good looking & I like him real well but cant [[sic]] wait on him. You see I am a fast old girl alright.

Wednesday nite was the "Y" party at Gladys Careys
Sure was a mob there. Danced, played cards, ate, etc. Had more fun playing cards-

Pitch poker, rook, etc S-----C----- I played with Geo. Gabler Most of the time and we would sure cheat Beating them every time. The lights went out- And we told ghost stories or rather I did as Esther Litman and Loren Dick & "Gaff" didn't know any. I didnt dance much cause my dress would stick out in the back and I felt so dern pretty. Someone was pulling it down all the time Vernola stayed a nite with us. It was after one when we got in.

Thursday I didnt go to school 1st & 2nd and they had chapel when I got there so I stayed down in the office with Earl Griffiths & Walter Barney. Then went to third & had a good time, as usual. Then went down in the office fourth. Fifth I went but Alan & I had a good time. Had Lat Sixth. We didnt get a chance to cut but 7th Lucile Gise & I slipped out Miss Rhamey's door, All the doors were watched because every body was leaving to see the human fly scale the Kellogg building But we didnt get to see it. Fat Florea said the exclusion list was 4 pages long.
That nite we went out to the park & slid down the shute de shute.

Next day was Decoration Day & we went out to Cedar bluff & took our supper Ruth stayed all nite with. Edna & Martha stayed all nite with me. Sure was tired as we had walked.

Friday June 6th-

The last real day of school and we had a big Chapel this morning. After it Golda Lindy & I left. Down by the Methodist Church we met a bunch of boys but Harmon B Frank R & Bill Tate [strikethrough] took us down to Floreas. We didn't have any third period. The kids wont get out untill late I guess.

The 27th of June we are going 10 miles out of Parsons camping. Oh Joy. Its a great life If you dont weaken. But I'm beginning to weaken Im afraid.

Think Ill get out of spelling and English and know I'll get out of zool. Only have to take French.

Have to have my dress fitted

Tom Carey has returned home from Lexington, Mo., where he attended the closing exercises of the military academy, which his son, Tom, Jr., has attended the past year. The young man will spend a few weeks at home and on June 21 will enter the army training camp at Camp Funston.

HIGH SCHOOL NOTES

This evening between 3:30 and 6 o'clock at the high school there will be an exhibit entitled, “The Relation of Latin to Practical Life,” and an endeavor has been made to answer the oft repeated question, “What's the use of Latin anyway?”

The exhibit is in the form of charts which have been prepared by the pupils under the supervision of the Latin teacher, wherein a few concrete illustrations arranged in a way to strike the eye and to hold the attention are better than any number of abstract statements ineffectively presented.

The needs and interest of the average student have been kept in mind and a perusal of these charts will show the benefits and advantages of the study of Latin. Our Latin department takes pleasure in showing this exhibit to the public as well as students of the high school.

A special chapel was held yesterday morning at 10. Mr. Churchill, an advance agent for the Redpath Chautauqua, spoke to the students about the program they will give. It will be here June 28. Season tickets are now on sale at the price of $2.20. They have an excellent program with them this year. Mr. Ayres, secretary of the Coffeyville Chamber of Commerce, gave a short talk telling of Coffeyville’s advancement and the students’ part in it. Professor Kennedy read the synopsis of the senior class play which will be given Wednesday the 11th. He also told some of the character and who would take part in it. Miss Hancock, Isabella Price, Wilbur Padgett and Rollin Johnson all made announcements.

The boys of the senior and junior classes held a special meeting in the auditorium yesterday after chapel to plan on the color fight.

The senior and junior classes both held a class meeting yesterday noon in the auditorium to plan on the junior and senior hayrack ride.

The Y.W.C.A. held their last meeting of the year yesterday afternoon.

The tickets for the senior class play were put on sale yesterday morning.
They can be purchased from any senior and at Florea's Drug store. The prices are $1 downstairs, 75 and 50 cents upstairs.

HIGH SCHOOL NOTES.

Chapel was held yesterday morning at 10 o'clock. The Seniors were given complete charge, it being the last chapel in C. H. S. W. E. Zeigler, Jr., played a piano solo, Aubrey Merrick gave a reading, Winifred Rush and John Bailey gave a violin and piano duet, Paula Mahley a reading, Leslie Scoville, Louise Scoville accompanied Helen Keller in a vocal solo, Leslie Scoville and William Carpenter rendered a violin and piano duet. William Carpenter gave a piano solo. Rev. Stucker gave a short interesting talk to the students on their education. Wilbur Padgett acted as chairman for the Seniors at the program. Ed Woolcott, Melvin Woods and Burton Gamble all made announcements. The Seniors gave their class yell, then gave fifteen rahs for the coming Senior class of next year. The Junior class responded with compliments to the Seniors.

The Senior class held their last class meeting yesterday noon to plan on the Senior class play, and commencement exercises.

The chorus for the baccalaureate and commencement night is practicing every afternoon after school hours. This is the best chorus that C. H. S. has had for a long while.

The Juniors are planning to give the Seniors a hayrack ride and picnic next Thursday afternoon and evening. This has been the custom every year. All the members of both classes are planning to have a good time.

The tickets for the class play are selling fast. Everyone who is going should get their seats reserved Monday evening at the Jefferson theatre box office.

CHURCH NOTES

The pastor has spent the past week in Winfield with his son, Dr. C. C. Hawke. He had the pleasure of attending the commencement exercises of Southwestern college and hearing the eloquent address of Dr. Murlin of New York.

The Program given this morning by the Sunday School has been greatly handicapped by the fact that the children forget to attend the rehearsals. Children's Day comes when teachers and pupils are in the midst of the closing exercises of school and allowances must be made.

There will be no Epworth League of evening service. The pastor preaches the baccalaureate sermon at the Jefferson.

The Standard Bearers will meet with Mrs. Milton McCoy, 601 Willow, on Monday night. All members and those who are interested come.

The East Side Circle will meet with Mrs. Lizzie Cook on Wednesday afternoon.
The Second Ward Circle meets with Mrs. McCarty, 405 Elm, on Wednesday afternoon.

The W.F.M.S. will meet with Mrs. Fay Todd, 515 Willow, on Friday at 2:30.

Mrs. Mary Nesbit, state superintendent of the Soldiers and Sailors Work of the W.C.T.U., will lecture at the Christian church tonight.

A GOOD MINERAL BATH
AND FINE CLUB HOUSE

AN OPPORTUNITY

AT THE City of Coffeyville, State of Kansas, is located one of the World's best Turkish and Mineral Water Bath Houses. Right at your threshold, as it were, can be obtained, for a few pennies, all the medical benefits afforded by the famous Carlsbad Sprudel Springs, of Austria, the Spa, of Belgium, or the Hot Springs of Arkansas, for the use of which people annually expend millions of dollars.

Right in the geographical center of the United States of America may be enjoyed rejuvenating baths, amid appointments of modern construction and marble splendour that will not be excelled in magnificence or completeness by any bathing establishment in the world.

A GOOD CLUB HOUSE

Here, too, may be found, under the same roof, a good club house, a home for the lovers of sport, such as Golf, Tennis, Basket Ball, Hand Ball, Tether Ball, Quoite, etc. A club house excelled in few respects, unequalled in many—a home for the sport lover, at a very reasonable price, and devoted to the use of both men and women.

Front Reception Hall Showing Office, Front Entrance, Old Fashioned Fireplace, Comfortable Chairs and One of the Stair Cases. An Ideal Place for Comfort on a Cold Winter Evening.
A LUCKY DISCOVERY.

A few years ago a man by the name of Wm. P. Brown owned a large tract of land joining the city of Coffeyville. Mr. Brown was one of the pioneers of this country in gas and oil development, having developed many of the best producing wells of today. He being thoroughly familiar with the needs of this section of the country, scarcity of good water, etc., concluded that there must be a subteranean sea or lake underlying his land; with this in view he undertook the tedious task of drilling an artesian well through the Mississippi limestone under which he found the Silurian sandstone, which he also penetrated many hundred feet, finally bursting through into one of the finest mineral water springs ever discovered.

RECOMMENDED BY PHYSICIANS

The medical properties of this water have been demonstrated by reliable chemical analysis. It contains elements which have a well defined value in repairing and building up the human system. Leading physicians recommend Silurian Water and it had been used with excellent results both internally and externally by people all over the country.

A UNIQUE STRUCTURE.

Ours is the most luxuriously appointed and conveniently arranged establishment of its kind in the middle west. In all the world there are few places that equal it. Absolute cleanliness is the keynote of the entire institution, in the halls, office, stairways, gymnasium, barber shop, club rooms, baths, lavatories - this emblem of purity and cleanliness is one of the most striking characteristics of the place. The men's bathing department, a room containing more than 7,500 square feet, is literally framed in cement walls, ceiling and floor all being formed of this material. The ladies' bathing department is similarly constructed.

PERFECT VENTILATION

Perfect ventilation, so desirable in a bath establishment, has been secured by one of the most complete and elaborate systems ever installed in a bath room. Fresh air is constantly forced in and the foul air removed. The heavy, sultry atmosphere, so characteristic of the ordinary Turkish bath is unknown here. Last, but not least, among the cleanly features of the Silurian Baths is the water. Silurian water requires no filtering. It comes from a subterranean source and is always clear and sparkling. A bath in such water is a bath in fact as well as in name.

A TRIUMPH OF INGENUITY

LARGEST SWIMMING POOL

The bathing department is equipped with every practical appliance for thorough and luxurious bathing that modern ingenuity can devise. A feature of this department is the largest swimming pool—the largest pool of its kind in the west—twenty feet wide, one hundred feet long and ten feet deep. The water in this pool is always kept at the uniform temperature of seventy degrees. Here one may enjoy a refreshing swim in mineral water without inconvenience or discomfort.

A MINERAL WATER TUB AND TURKISH BATH IN ONE.

In adjoining rooms to the swimming pool are many solid cement tubs, separated one from another by cement partitions. On the other side of the rooms are cement rubbing slabs, also separated by cement partitions. Conveniently located are two needle shower baths where the temperature may be regulated to suit the individual. Connected with these departments are hot and vapor rooms constructed after the most approved design. There are also two Electric Light Bath Cabinets of the very latest design. After the bath comes the cooling rooms, large cheerful apartments, where the bather is wrapped.

in a clean sheet and reclines on a couch for as long a time as is required to cool off and get in shape to face the outside atmosphere.

A skilled chiropodist is in attendance. In this room there are many couches and reclining chairs. If absolute privacy is desired the bathers can secure it.

COURTEOUS ATTENDANTS

We realize the fact that the appointments of a bath house are not its most important feature. Good service is appreciated even more. In this connection we wish to emphasize the fact that in no other bathing establishment can better service be secured. We employ none but the first class attendants. They are polite, well trained and unusually skilled in the arts that insure a thoroughly satisfactory bath. We have invested too much money in appointments to take any chances with the quality of our service.

LADIES DEPARTMENT.

Our ladies' bathing department is entirely separate from the men's division. It is maintained on the same luxurious plan and the attendants are equally efficient in every respect—it is the same as the men's division. In addition there are hair dressing and manicuring departments, and other conveniences which ladies will prize and appreciate.

A GOOD CLUB.

As a club, the Silurian bath house offers accommodations and conveniences for men and women which are unequalled by any other house in the world. We provide large and well ventilated rooms with lockers for each member of the golf club, another for the tennis club, another for the basket ball club and still others for the physical culture club. The ladies have their separate apartments in various clubs, all with the same elegant equipment as the men's. Think of the pool and shower without the extra charge after a game of golf, tennis, basket ball or manual training exercise. Think of the delightful plunge in this refreshing sparkling pool of mineral water. No other place in the west can offer its equal at any price.
THE CLUBS.

We take care of the clubs as above mentioned keeping their grounds in perfect shape. The charges for this and the club home accommodations will be a nominal sum per member.

THE GYMNASIUM.

Our gymnasium is thirty-three feet by one hundred feet, and it is equipped with both light and heavy fixtures for exercises.

Our Physical Culture Department is equipped with all the modern appliances and it is in charge of one of the most competent ladies that this country affords. The Bathing department will be under the direct supervision of a lady of many years experience in that line of work, and the ladies' department will have her personal attention. For a clean, quiet convenient, well appointed and moderate priced bath house we do not believe the Silurian can be equalled.

THE SPA OF AMERICA.

The medical properties of the Silurian water are worthy of careful consideration. Many people, who have been advised to take a course of mineral water baths, imagine that they must travel far to reach a Spa that shall have the power to cure them. The American people annually spend thousands of dollars in pilgrimages to Belgium, Wiesbaden and Bohemia when they could receive just as much benefit, so far as the water is concerned, right at home.

Silurian Mineral Water possesses medical properties equal to any of the famous springs of Europe. Taken internally and applied in the form of baths it will prove eminently beneficial in many forms of disease. A course of Silurian baths will accomplish wonders in restoring the system to its normal

health. As a medical beverage Silurian Water, either plain of carbonated, is very popular and cannot be too highly recommended.

The following analysis, made by E. H. S. Bailey, State chemist of Lawrence, Kansas, fixes the medical properties of the Silurian water:

Calcium Sulphate, Magnesium sulphate, traces, Calcium carbonate, Lithium chloride, a slight trace, Potassium sulphate, a trace, Sodium sulphide, Free hydrogen sulphide gas, abundant Iron and Aluminium oxides, traces, Potassium bromide, a trace, Sodium chloride (abundant).

THE BLACK WATER.

The Black Water, as it is sometimes called, derives this name from the black deposit it leaves on silver coins, turning a silver piece almost instantly.

The Black Water is strongly charged with sulphur, and has the odor and taste of sulphur. It has remarkable power in correcting indigestion, dyspepsia, constipation and disease peculiar to women, especially menstrual irregularities. Its effects on dropsy is always beneficial, the effusion often disappearing rapidly. A peculiar property of this water is its incompatibility with whiskey. Habitual users of alcohol find that they have no taste for the stimulant while drinking the water, and drunkenness can be cured in this way without ill effects. Physicians prescribe the Black Water generally in all disorders of the liver and stomach.

MEDICAL DEPARTMENT

The medical department is under the supervision of competent doctors who give each and every...
patron their personal attention, prescribing such baths as would suit best
each individual case. Their office is equipped with the most elaborate
and latest improved line of electrical vibration and mechanical
appliances for the treatment of all chronic disease.

THOSE WHOM WE BENEFIT

The value of the hot water and electro teraphy as a general tonic is
becoming more and more recognized each year. Those whom they
benefit in this catagory are the overworked business and professional
men and women, ladies overburdened with the duties of society of their
household; politicians and men of the world who have been going the
pace; cases that refuse to recuperate after the eradication of la gripe,
or any severe ailment find great benefits and quick recovery through
these wonderful waters and treatment.

Briefly stated the use of the Silurian Springs waters open the pores and
channels for the expulsion of all matter injurious to health, arouses
torpid and sluggish secretions, stimulates the circulation, the muscles,
the skin, the nerves, the internal organs, and purifies the blood, removes
all aches and pains, restores the exhausted, and helps revive the
debilitated, build up and renew the entire system.

WHAT WE CAN CURE.

"Generally speaking, all diseases of the skin, blood, digestive and
secretory organs and nervous affections and ailments peculiar to
women.

To Summer in Colorado
Miss Leah Talbot, who has been visiting the McCoy sisters, Ruth and Esther, and other friends here for the past few days, returned to her home at Sedan today. She and her mother, Mrs. A. K. Talbot, formerly a resident of this city, will leave the first of next week for Colorado to spend the summer.

Got started but the roads were too bad so we came back and Leah missed her train??? So then we came home & got our bathing suits and took our dinner out to the [[not?]] and went swimming. Then there was a Soph-Fresh picnic that P.M. at the Park and we went out. Wasn't many there but had a pretty good time. If any one should want to know what doing ask Leah and Edna, for we left the rest.

That nite there was a big bunch here. Among them were

Floyd and Leah, Hazel and Ivan, Fay and I. But Ruth and Martha and Ruth and Vernola went down town and they saw Geo Bowers, Hack Clary and Art Little in Georges car. They picked them up and the kids brot em home. Martha was with George, Ruth with Art and V with Hack. But I left soon after they came. Well so did Hack and Art. Art got peeved I think. Lee where [[sic]] that knocks me out of a box of Martha Washington Chocklates [[sic]]. Boo Hoo! Shorty called up and Ruth told him to come down and he did. It was pretty late when we got in. Friday morning we went up to the school to get our grade cards. I flunked in
History Got thru in the others

To think school is out. I can hardly believe it. I always want school to let out but still I hate for it to.

Leah went away that A.M. The Soph's and Jr's won the color fight. Sure was glad.

Well this is the end of this book as well as the end of my Soph Days. So guess I'll just have to kiss my good old Soph days at C.H.S. good By [sic] and many darn happy days they've been to [sic]. Not counting Studying French, Giving Hilton 100 in spelling. Talking to Va Nelson 3/rd and 6/th But — Such is life
