2201. Haystacks on Mrs. Du Port's farm 50 miles south of Salisbury.

2202. Mazoe dam near Salisbury.

2203. Railway station near Salisbury.

2204. Marandellos, railway station east of Salisbury.

2205. Mealies in bags at Macheke, east of Salisbury.

2206. Downs near Amani.

2207. Downs near Amani

2208. Along railway Tanga to Moshi.

2209. Along railway Tanga to Moshi.

2210. Sisal plantation, Himo (on way to Taveta).

2211. Sisal plantation, Himo (on way to Taveta).

2212. Native kraal, on way to Taveta.
2004. Patrick Creek, Calif. On way to Crescent City.

2006. Elymus vancouverensis, Crescent City, Calif.

2213. Native Kraal, native women.

2214. Station, Taveta.

2215. Views at and near Lake Challu. A crater lake between Marangu and Taveta.

2216. Views at and near Lake Challu. A crater lake between Marangu and Taveta.

2218. Views at and near Lake Challu. A crater lake between Marangu and Taveta.

2219. Views at and near Lake Challu. A crater lake between Marangu and Taveta.

2217. Views at and near Lake Challu. A crater lake between Marangu and Taveta.

2221. Masai women, the king’s wives.
2013. Bluffs on the Columbia highway near The Dalles.

2224. Native boats.

2223. Cape Guardiful.

2226. Interior of herbarium, Kew.

2228. Houses across green opposite Herbarium, Kew.

2227. Exterior of herbarium, Kew.

2229. Herbarium, Kew, from street.
2020. Bar shown in 2019 seen from inside. These bars are round at the mouths of the rivers here.

2021. Bar at mouth of a river (different from 2020)—the bar in the background.

2022. Valley near Holyrood, Newfoundland. Taken from the same point as 2021, but in the opposite direction.

2023. House at Cartwright, Labrador, where I was lodged for five days (Aug. 1928). The home of Mr. Groves, dock foreman of the Hudson's Bay Co.
2230. Entrance to Kew Gardens, near Herbarium.

2231. The Priory near Kew Gardens.

2232. Laboratory (botanical) Amani.
2024. Church at Cartwright, Labrador.

2025. School at Cartwright. The scrubby timber consists of black spruce, balsam fir, and larch.

2026. Fireweed (Epilobium angustifolium) at Cartwright. Color bright rose.

2233. Eugenia malaccensis near Botanical Laboratory.

2234. Director's house, Amani.

2028. A spruce on an exposed hill showing the effect of the wind.

2029. Cartwright. Tide out. Hudson's Bay Co. offices and dock at extreme right. Staff house in center.

2030. Cartwright. At left of 2029.

2031. Top of hill at Cartwright. Scattered scrubby spruce, and low prostate shrubs, such as blueberries and Empetrum nigrum.
2235. Dracaena near Director's house, Amani.

[[image top left]]
2032. Stunted spruce on exposed shore of bay, Cartwright.

[[image top right]]
2033. Seashore meadow between water and spruce at Cartwright. Willow at right.

[[image bottom left]]

[[image bottom right]]
2035. View near Holyrood. Bay and meadow at left. [[on the right in the image are pine trees and steep hills]]
2238. Euphorbia, Moshi.

2239. Bismarck hut on Mt. Kilimanjaro, 8000ft. Here we stopped the first night from Marangu.

2240. Forest near Bismarck hut.
2036. St. Georges, Newfoundland, from the dock.

2037. Iris in pasture, St. Georges.

2038. Iris, close view, St. Georges.

2039. Village opposite St. Georges (Sandy Point). Buildings near shore.
2241. Tussock grass, Bismark Hut.

2242. Tussock grass, Bismark Hut.

2243. View on Kilimanjaro at 10200ft.

2244. View on Kilimanjaro at 10200ft.
2040. Buildings near dock, village opposite St. Georges. The grass is a close turf of Agrostis maritima.

2041. Street of village, same as 2039.

2042. Another street in the same village.

2043. Fence along street in same village. Grass mostly Agrostis maritima and Festuca rubra.
2245. View on Kilimanjaro—our porters.

2246. View on Mt. Kilimanjaro at 10200 ft.

2044. Outer shore of sand spit beyond village. [see 2043*, written above] Ammophila breviligulata foreground, Newfoundland.

2045. St. Johns, Newfoundland, from steamer.

2046. St. Johns from steamer.

2047. St. Johns from steamer.
2249. Senecio Jonstonii

2250. Clouds--Peter's Hut, evening, 12000 ft.

2251. Clouds--Peter's Hut, morning.

2252. Clouds--Peter's Hut, morning.
2048. Entrance to bay, St. Johns.

2049. Shore of bay near entrance, St. Johns.

2050. Just outside entrance to bay, St. Johns.

2051. Steamer Kyle at dock, St. Anthony, Newfoundland.
2253. Kibo Peak, Mt. Kilimanjaro from Peter's Hut, 12000ft.

2254. Kibo Peak, Mt. Kilimanjaro from Peter's Hut, 12000ft.

2255. Kibo Peak of Mt. Kilimanjaro. Peter's Hut foreground where we spent the second and third night.

2256. Mt. Kilimanjaro, 12200ft.
2052. Steamer Kyle.
2053. New hospital, St. Anthony. Grenfell Station.
2054. Industrial School, St. Anthony. Grenfell Station.
2055. Orphange, St. Anthony, Grenfell Station.

2258. East peak of Mt. Kilimanjaro from 14000ft.

2259. Kibo peak of Mt. Kilimanjaro from 14000ft.

2260. Kibo peak of Mt. Kilimanjaro from 14000ft.
2056. Old Hospital, St. Anthony, Grenfell Station.

2057. Rocky Cape, Webbers Cove, Labrador.

2058. Rocky Coast, Spear Harbor, Labrador.

2059. Red Bay, a village on the northwest coast of Newfoundland.

2262. Dominant vegetation at 13500ft. East peak in background.

2263. Mt. Kilimanjaro near limit of vegetation--14000ft.

2264. Mt. Kilimanjaro 13500ft. Grass is Festuca; a composite with yellow flowers (Erica foliage) is common.
2060. Bonne Bay, coast of Newfoundland, north of Humber Mouth.

2061. Promontory in Bonne Bay Newfoundland.

2062. Hotel, Corner Brook, Newfoundland.

2063. Town of Corner Brook, from hotel. At right is a reserve pile of pulp wood logs for pulp mill.
2265. Giant Senecio, Mt. Kilimanjaro, 13700ft.

2266. Giant Senecio, Mt. Kilimanjaro, 13700ft.

2267. Giant Senecio, Mt. Kilimanjaro.
2064. Hotel at Port-aux-Basques. Large rock exposed in yard.

2065. Harbor of Teneriffe Island, one of the Canary group.

2066. The Great Dragon Tree, Santa Cruz, Teneriffe island.

2067. Mountains of Teneriffe Island.
2268. Giant Senecio, Mt. Kilimanjaro.

2269. Giant Senecio growing in a marsh.

2270. Giant Senecio in Marsh.
2068. Teneriffe Island from the sea.

2069. Ascension Island from the sea.

2070. Ascension Island from the sea.

2071. Ascension Island from the sea.
2271. Giant Senecio.

2272. Giant Senecio.

2273. Scrub on Mt. Kilimanjaro, about 11000ft.

2072. Ascension Island from the sea.

2073. Ascension Island from the sea.

2074. Ascension Island from the sea.

2075. Ascension Island from the sea.
2275. Scrub on Mt. Kilimanjaro.

2276. Where grassland and forest meet above Bismarck Hut.

2277. Where grassland and forest meet above Bismark hill

2278. Where grassland and forest meet above Bismark Hut.

[[the images and the arrows make it appear that 2275-2278 may be a series of photos forming a panorama. Almost certain that 2275 and 2276 form a panorama]]
2076 Ascension Island from the sea.

2077. Ascension Island from the sea.

2078. Llandovery Castle, the steamer on which we sailed from London to Cape town. View of steamer at anchor off Island of St. Helena.

2079. Warf at Jamestown, Island of St. Helena.
2279. Native hut, Marangu with Bananas.

2280. View at Marangu. The natives are numerous here. Each family grow bananas and a few other things for food.

2281. View from near hotel, Marangu.

2294. View north of Nairobi.
2080. View of landing, Jamestown, St. Helena.

2081. Jamestown, St. Helena.

2082. Jamestown, St. Helena.

2083. Longwood, the house where Napoleon lived. St. Helena.
2295. View north of Nairobi--woman carrying grass.

2296. View north of Nairobi--woman carrying grass.

2297. View north of Nairobi

2084. Mountains of St. Helena, showing plantations of New Zealand flax (phormium).

2085. Napoleon’s grave, St. Helena. The enclosure belongs to France. The remains were transferred to France.

2086. Jamestown, St. Helena.

2087. Last view of St. Helena.
2299. Native grass, Nairobi.

2088. Muizenberg, a suburb of Cape Town from the hills of the Cape Peninsula.

2089. Flats east of Cape town, visited by a botanical party.

2090. Sir Lowry Pass, near Cape Town, visited on a botanical excursion.

2091. Dam at Cape Town water supply, visited on a botanical excursion.
2303. Government House from N.W. Kikuyu grass.

2304. Lake Victoria from Entebbe.

2305. Lake Victoria from Entebbe.

2307. Entebbe [[strikethrough]] ant hills.
2092. Large camphor tree on Mr. Phillip's farm near Cape Town. Visited by a botanical excursion.

2093. Botanical party on a Cape Peninsula excursion, Cape Town.

2094. Sand dunes, Cape Peninsula, visited by a botanical party.

2095. Restionaceae, Cape Peninsula. Plants allied to sedges.
[[image left side]]
[[photo shows tall grass and some bushes and a tall tree in the background.]]
2306. Entebbe.
[[2307 is absent form this plate of photos.]]

[[image top right]]
2308. Ripon Falls, source of Nile.

[[image bottom right]]
2309. Nile—looking up river toward Lake Victoria.
2096. Restionaceae, Cape Peninsula. Plants allied to sedges.

2097. A rest house on Cape Peninsula, thatched with plants of Restionaceae.

2310. Dam being put in at Jinja, Nile River.

2311. Elephant grass, between Kampala & Jinja.

2312. Elephant grass border of field between Kampala and Jinja.

2101. The Bolus Herbarium, Kirstenbosch Botanic Garden.

2102. House under construction, thatched with plants of Restionaceae, Cape Town.

2103. Main steps of the University of Cape Town.
2313. Air field, Jinja.

2314. Air Field, Jinja, shelter hut the sides of elephant grass.

2315. Jinja native huts, modern construction.

2316. Government offices, Kampala.
2106. Flowers at base of Table Mountain, Cape Town.

2107. Cable station for a cable under construction to go to the top of Table Mountain.

2108. End view of Table Mountain, Cape Town.

2109. A plant of Testudinaria in Kirstenbosch Botanical Garden.

2110. Aloe marlothii in Kirstenbosch Botanical Garden.
2317. Mr. Hunt's house, Jinja.

2318. Jinja, Lake Victoria in background.

2319. Ox team, Jinja.

2320. General views, Eldoret.
2111. View in Kirstenbosch Botanical Garden. Table Mountain in rear.

2112. Rhodes Memorial, Cape Town.

2113. Seaweed at Camp's Bay near Cape Town.

2114. Protes grandiflora, slopes of Table Mountain.
2321. General views, Eldoret.

2322. General views, Eldoret.

2323. General views, Eldoret.

2324. General views, Eldoret.
2115. Leucospermum leptocarpum, slopes of Table Mountain.

2116. Camp's Bay near Cape Town.

2117. Leucospermum, slopes of Table Mountain.

2118. Salt bush vegetation, White Hills, Karoo, valley land, somewhat alkaline.
2325. General views, Eldoret.

2326. General views, Eldoret.

2327. Naivasha, Mimosa tree.

2328. Corrugated iron huts Naivasha.
2119. Succulents on Kopje, White Hills. Euphorbia mauritanica.

2120. View from Kopje, White Hills.

2121. Dry stream bed, White Hills.

2122. Plain, Madjesfontein.
2329. Railway station and ox cart Naivasha.

2330. Pepper tree—Naivasha.

2331. Grevillea robusta, Naivasha.
2123. Succulents on Karoo, Madjesfontein. Euphorbia maurita, Crassula perforosa, Cotyledon orbicularis, Aloe microst.

2124. Office of diamond mine, Kimberley. Diamonds worth thousands of pounds are shown.

2332. View from hill east of Naivasha.

2333. View from hill east of Naivasha.

2334. View from hill east of Naivasha.

2335. Valley east of Naivasha.

2130. Herbarium of the University of Johannesburg. In charge of Professor Moss.
2336. Looking south from Naivasha.

2337. Escarpment of Rift Valley to west, Naivasha.

2338. Escarpment of Rift Valley to east, Naivasha.

2339. Rift Valley from train, south of Kimbe.
2131. University of Johannesburg (University of Witwatersrand). Botany building at left.

2132. University of Witwatersrand.

2133. Diamond mines, Kimberley.

2134. Diamond mines, Kimberley
2340. Elephant grass, Nairobi.

2341. American Consulate, Nairobi.

2342. American Consulate, Nairobi.

2345. Aden, early morning (before sunrise).
2135. Diamond mines, Kimberley.

2136. Zulu war dance at Johannesburg. Arranged for the benefit of visiting scientists.

2137. Zulu war dance at Johannesburg. Arranged for the benefit of visiting scientists.

2138. Zulu war dance at Johannesburg. Arranged for the benefit of visiting scientists.
2343. Young mango tree in flower, Nairobi.

2344. Street between Consulate & Norfolk Hotel, Nairobi.

[handwritten] 2343 & 2344 interchanged [handwritten]
2139. Zulu war dance at Johannesburg. Arranged for the benefit of visiting scientists.

2140. Zulu war dance at Johannesburg. Arranged for the benefit of visiting scientists.

2141. Zulu war dance at Johannesburg. Arranged for the benefit of visiting scientists.

2142. Lawn of Cynodon transvaalensis on Mr. Wartenweiler's place, Johannesburg.
2346. Aden, early morning (before sunrise).

2347. View from steamer while passing through Suez Canal. (herd of camels).

2348. View from steamer while passing through Suez Canal.

2349. View from steamer while passing through Suez Canal.
2143. Pretoria from the Union Building, Pretoria.

2144. Union Building, Pretoria.

2145. Miss Stent, Assistant in Botany, Pretoria.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
